16th October 2025

Dear Parents and Guardians

We are sharing with you an important leaflet from Merseyside Police that provides vital information and advice about **cannabis edibles** - a growing concern affecting young people across our local communities.

**Cannabis edibles** are **illegal substances** often disguised as everyday sweets, chocolates, or drinks. They are designed to appeal to children and teenagers, making them particularly dangerous and difficult to detect.

This leaflet outlines what cannabis edibles are, how they are accessed, the risks they pose, and what to do if you suspect your child has consumed one.

We encourage you to read through the leaflet carefully. It offers clear guidance on identifying these products, understanding their effects, and knowing how to respond in an emergency. It also includes contact details for local support services should you need further advice or assistance.

As always, we are committed to working together to keep our children safe. If you have any concerns or would like to discuss this topic further, please don't hesitate to reach out and make contact with me or our pastoral team.

Thank you for your continued support.

Warm wishes

Ms J Leech  
Deputy Headteacher/Designated Safeguarding Lead
