5th February 2026

Dear Parent/Guardian

Industry Day – Friday, 13th February 2026

We are pleased to inform you that our annual **Industry Day** will take place on **Friday, 13th February 2026**. This important event provides students with the opportunity to explore a wide range of career pathways and to develop their understanding of the world of work.

Since September, students have been preparing for Industry Day through PSHE sessions focused on work-related learning. The event is designed to support pupils in **Year 9 and Year 11** as they define and refine their individual career aspirations.

Attendance for students in **Year 9 and Year 11** is **compulsory**. Any absence for students in these year groups will be recorded as **unauthorised** and will therefore impact their overall attendance record.

Due to the scale and complexity of organising Industry Day, including coordination with external providers and staffing requirements, we kindly ask that students in **Year 7, Year 8 and Year 10** remain at home on this day. This will allow us to ensure that appropriate space, resources and staffing are in place for the successful delivery of the event.

Please also note that this date marks the end of term. Students will be on holiday from **Monday, 16th February to Friday, 20th February 2026**, and will return to school at the usual time on **Monday, 23rd February 2026**.

Thank you for your continued support and understanding.

Yours sincerely

Ms K Smyth
Headteacher
