12th January 2022

Dear Parent/Guardian

Year 8 Parent's Evening

Due to the high number of Omicron cases in Liverpool, we are postponing the face-to-face meeting on **Wednesday, 19th January 2022**. This decision has not been made lightly; the safety of our students and staff is paramount and at the heart of this decision.

Based on previous parental feedback, we are not opting to use an online equivalent as the general consensus from parents was that you wanted to meet subject staff. So, the revised date for the Year 8 Parent's Evening will be on **Wednesday, 18th May 2022**. In the meantime, you will receive two sets of data before February half-term. Monitoring data which will inform of your son's attitude to learning and homework and a report on your son's progress across individual subjects and next steps for you to further support your son's academic development. This information will be sent through a new free app and will be a new form of communication for such information. Further information will be sent out with regards to how you access it in the forthcoming weeks.

Yours sincerely

Ms E Holley
KS3 Co-ordinator
