Ms K. Smyth Headteacher

AE/GM

15th March 2022

Dear Parent/Guardian

Year 11 Assessments

Please find attached the assessment timetable for Year 11 students starting on Friday 18th March 2022. Students have received a copy of this in school also. Despite the fact that external exams will take place in the summer, it is vitally important that pupils prepare properly for these assessments. This will give ideal preparation for the final examinations in May/June and may even still be used if required to aid a Centre Assessed Grade should the exam boards require it.

As always please encourage your son to create a revision timetable which incorporates preparation sessions for all his subjects as well as incorporating any personal commitments and downtime. If he requires further support with revision he should contact either Miss Kewley or Mr Sanderson in school who can assist with this. Teachers will be providing individual revision resources and advice for each subject in his coming lessons.

Assessments will be a combination of written and practical assessments dependent on the subject. As can be seen from the timetable, your son will finish early on each of the days that they have assessments apart from Friday 18th March. This is to allow him to go home and revise independently for the following assessments. Assessments will finish between 1.00pm and 1.30pm Monday 21st March – Friday 25th March. Lunch will be provided on each day between 11am – 11.30am in between assessments to allow your son to leave school after the 2nd assessment.

It is extremely important that your son attends every assessment. If you wish for your son to remain in school after his assessments then this can be accommodated. Please let me know if you wish for us to supervise him at these times.

I would be grateful if you could encourage your son to revise for these assessments at home and also to ensure that he brings the revision materials into school during assessments. He should also be fully equipped for each assessment. He needs a pen, pencil, ruler and a calculator if appropriate.

Many thanks in advance for your support at this important time. Hopefully by working together, your son will make the progress that his efforts warrant.

Yours sincerely

A. Edwards

Mr A Edwards
Deputy Headteacher
