1.0 Introduction

This is a successful and happy school and every child plays their part in making it so. However, for our children to gain the greatest benefit from their education it is vital that they attend regularly and every child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

We believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them. It helps them to develop into confident and competent adults who are able to realise their full potential and make a positive contribution to their community. Cardinal Heenan Catholic High School recognises the clear link between the attendance and attainment of students.

Irregular/poor attendance causes children to fall behind and underachieve. Poor attendance can place children at risk and, in some cases; it can result in students being drawn into anti-social or criminal behaviour.

The importance of attendance and punctuality is underpinned by an awareness of safeguarding issues. It is important to see our young people every day and provide an educationally safe and secure environment.

To gain the greatest benefit from their education it is vital that all students attend regularly and on time. Students should aim to attend every day that the school is open. We set a target for all students to aim for 100% attendance with the expectation all students achieve at least 97%. ***As a school we define regular attendance as 97% or above.***

This policy should not be viewed in isolation; it is a strand that runs through all aspects of school, supported by our policies on safeguarding, child protection, bullying, behavior, special educational needs and disability, and inclusion.

The law

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16. The law says that they should attend regularly (Section 444 of the Education Act 1996). If a compulsory school age pupil is absent the register must show whether the absence is authorised or unauthorised. It must also record the nature of any approved, supervised educational activities.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

The Education (Pupil Registration) (England) Regulations 2006, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

2.0 Aims

- Maximise the overall percentage of student attendance and punctuality at Cardinal Heenan Catholic High School.
- Reduce the number of students who are persistently absent and raise the profile of attendance and punctuality amongst the school community.
- Provide support advice and guidance for parents, students and staff.
- Develop clear procedures for the maintenance of accurate registration for students.
- Ensure a systematic approach to gathering, analysing and acting upon attendance data.
- Ensure a whole school approach to ensure consistency of intervention strategies.
- Continue to promote effective partnerships with the Local Authority, Children's Services, Health and other partner agencies.

2.1 Promoting regular attendance at Cardinal Heenan Catholic High School:

This is everyone's responsibility. All members of staff, parent/carers and students play a part. To help us all focus on this, Cardinal Heenan Catholic High School will ensure:

- Appropriate interventions are in place to deter poor punctuality.
- An appropriate curriculum is provided and will be reviewed regularly.
- The need for high quality teaching and learning throughout the school is recognised as being essential to the promotion of attendance.
- Students are provided with appropriate support to minimise disaffection from school. This includes multi-agency provision as appropriate.
- Special Educational Needs, disadvantaged and Looked After students and other vulnerable groups are given appropriate support, and attendance is monitored rigorously.
- Effective partnerships with parent/carers are encouraged through regular contact and support provided.
- Parents/carers are kept informed of students' attendance and punctuality through first day contact, termly progress reports, individual letters and meetings when required.
- Good attendance and punctuality is rewarded through regular individual student incentives.
- Attendance and punctuality is regularly discussed with students in form time and at assemblies.
- Staff attendance roles and responsibilities are clearly defined and all staff should ensure these are followed.

3.0 Attendance expectations

A child not attending school could be considered a safeguarding matter. This is why information about the cause of any absence is required.

Expectations of students

- Ensure you arrive at Cardinal Heenan Catholic High School by 8.40am with correct equipment and uniform
- Be at your class at 8.40am and in form by 8.45am.
- Arrive to lessons on time.
- Always attend every lesson.
- Never leave the school site without permission.
- Always use the signing in/out system when late or leaving school for appointments.
- Following any absence complete any missed work that may be provided by Cardinal Heenan Catholic High School.

Expectations of Parent/Carer

- Ensuring your child's regular attendance at school is a parent/carer's legal responsibility (Section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law.
- Ensure your child leaves for school on time.
- Telephone school if your child is to be late.
- For routine non-emergency medical and dental appointments please ensure they are made outside of school hours.
- Contact school by 9.00am on the first day of absence if your child is unable to attend through illness, giving an indication of the expected duration and return date to school.
- If a text message is received because of your child's absence, it is important that you respond to this text to ensure your child is appropriately safeguarded.
- Contact our school office or Inclusion Officer if the reason for absence requires a more personal contact.
- **In case of emergency** we need up to date contact numbers at all times so please ensure you inform us of any changes especially to mobile telephone numbers. (As a school we request a minimum of three emergency contact details be provided)
- Requests for exceptional circumstances leave of absence must be in writing to the Headteacher and can only be authorised by the Headteacher. Reasons such as a close family bereavement or taking part in a significant religious event would be acceptable for short absences. Unacceptable reasons for missing school include general holidays, weddings, shopping, concerts and birthdays. Absence Forms should be requested from the school reception and on the school's website.

3.1 Absence procedures

If a student is absent we will:

- Telephone and text Parent/Carer on the first day of absence
- If no response is received after three days unauthorised absence, a member of school staff will conduct a home visit. If there are safeguarding concerns, contact will be made with the family as soon as possible.
- If a student's absence is increasing and we are not aware of a good reason the parent/carer will be invited to meet our Inclusion Officer, Christine Kirkham.
- If absences persist, the Inclusion Officer will discuss actions with the Education Welfare Officer.

3.2 Understanding types of Absence

Cardinal Heenan Catholic High School has to record every absence that a student takes from school and this is why it is important that parents/carers advise school about the cause of any absence, preferably by text or phone on the first day of absence.

3.3 Authorised Absence

Authorised absence: is when the school has accepted the explanation offered as satisfactory justification for the absence or given approval in advance for such an absence. If no explanation is received, absences cannot be authorised. If school does not accept the reason given for absence or no proof of absence has been given, the absence may not be authorised. It is the Headteacher, not parents who make the decision to authorise absence from school.

3.4 Unauthorised Absence

Unauthorised absence: is when the school has not received a reason for absence or has not approved a child's leave absence from school after a parent's request. This includes but is not exclusive to:

- Parents giving their children permission to be off school unnecessarily, such as for shopping, birthdays, to look after siblings
- Truancy before or during the school day
- Absences, which have not been explained.
- Students who arrive at school too late to get their mark

This type of absence may lead to the use of Penalty Notices or other sanctions from the Local Authority. From September 2018 Cardinal Heenan Catholic High School will issue warning letters (in accordance with the Local Authority Code of Conduct) to parents where their child has accrued 10 sessions of unauthorised absence in any one term. The warning period will cover a period of 20 school days. If the child has any unauthorised absence during this time the school will refer to case to the local authority requesting a Penalty Notice be issued.

3.5 Persistent Absence

- Students are defined as persistent absentees by the Department for Education (DFE) if their attendance falls below 90%. This is for any absence whether authorised or unauthorised. The DFE expects Schools to intervene well before students reach a level of persistent absence.
- Whilst we understand that students can be absent from school because they are ill, sometimes they can be reluctant to attend. If a student is reluctant to attend or a parent/carers has concerns, it is important that contact is made with the school as soon as possible to gain support and to work together to gain a resolution
- Parent/Carers are asked to contact our Inclusion Officer in the first instance.

4.0 Why is regular attendance very important?

Any absence affects education and regular absence will seriously affect students' learning. Students who have time off often find it difficult to catch up and do well.

- 90% attendance is equivalent to a student missing one half day of lessons per week or approximately 118 lessons per year

The DFE has published a strong link between poor school attendance and low levels of achievement:

Students attendance	Chance of achieving 5 good pass grades at GCSE
100% - 96%	73% of students achieve 5 good pass grades
96% - 94%	64% of students achieve 5 good pass grades
93% - 90%	55% of students achieve 5 good pass grades
80% to 70%	Only 20% chance of achieving 5 good pass grades
50% and below	Only 6% of students achieve 5 good pass grades

Ensuring your child's regular attendance at school is your legal responsibility and permitting your child to have any absence without a good reason from school is an offence in law (The Education Act 1996) and may result in legal action.

5.0 The Education Welfare Officer (EWO)

- The Education Welfare Officer – provides support for parents/carer and advice on problems relating to attendance, and encourages good communications between home and school.
- The EWO will always try to resolve the situation by agreement with the family but, if a resolution cannot be achieved to improve the student's attendance and where unauthorised absence persists the EWO will be required to give consideration to the instigation of legal proceedings which include; Penalty Notices, Parental Prosecution and Education Supervision Orders. Details regarding attendance law, penalty fines and legal interventions are available from the Local Authority.

6.0 Leave of absence in Term Time

The Department for Education made important changes to legislation surrounding school holidays in term time. As of September 2013, parents do not have the automatic right to take their child on holiday during term time. Holidays will only be granted in the exceptional circumstances. For all leave of absence during term time, parents/carers must submit a leave of absence form prior to taking time off school. This can be downloaded from our website or requested from the school office by contacting 0151 235 1430.

By definition, exceptional trips should not occur regularly. It is a legal requirement for parents/carers to obtain consent before removing their child from school to take any leave in term time. Application for leave of absence must be made and the school must be satisfied that the circumstances are truly exceptional.

If a child is taken out of school without permission, the absence will be marked as 'unauthorised' and could possibly result in a Fixed Penalty Notice being issued. From September 2013 these Notices cost £60 per parent per child if paid within 21 days, and £120 if paid between 22 and 28 days. Information to this effect from the local authority is on our website. Further information can also be obtained from www.dfe.gov.uk.

Parents are strongly advised to avoid taking their children on holiday during term time. Parents should be made aware that if their child is absent for 10 school days they would miss 5.3% of their education during that academic year.

7.0 Lateness to school

Poor punctuality is not acceptable. If a student misses the start of the day they miss work and potentially disrupt lessons. It can also be embarrassing for the student arriving late and can encourage future absence. A range of support and sanctions apply to students who arrive late.

7.1 How do we manage lateness?

The school day starts and registers are taken at 8.45am by the Form Tutor and students receive a late mark if they are not in their form by this time. School expects students to arrive on site by no later than 8.40am.

- Students who arrive late to school should report immediately to Student Services to sign in. If they have a genuine reason for lateness such as a medical appointment, they should bring a letter from a parent or appointment card.
- If a student arrives late to school, parents/carers will receive a text message to inform them of their child's late arrival.
- If a student is late without an authorised reason, he will be placed on a 30-minute same day detention. Parents/carers will receive a text message to inform them.
- If the student continues to arrive late on a regular basis their parents will be required to attend a meeting to discuss what support is necessary to improve the situation.

If a Parent/Carer has any problem getting their child to attend school on time they should contact our Inclusion Officer (Christine Kirkham), who will offer support to resolve the problem.

8.0 People Responsible for attendance matters at Cardinal Heenan Catholic High School

The school, parents/carers and students need to work as a team to support the attendance and attainment of students. This partnership is vital in making every student's journey through school a success.

Our Inclusion Officer is Christine Kirkham.

The principal role of the Inclusion Officer is to work with parents and students on behalf of the school in order to improve school attendance. The main areas dealt with are:

1. Poor attendance and punctuality,
2. Breakdown of communication with families,
3. Welfare concerns,
4. Liaison with other agencies.

The Inclusion Officer's role is primarily supportive as they seek to address issues, which affect school attendance.

The Inclusion Officer conducts half termly attendance audits to establish a caseload and will work with the School Attendance Officer and Deputy Headteacher to regularly review and evaluate this caseload. Parents can also request their support.

Ms Leech (Deputy Headteacher) oversees all attendance issues.

9.0 Removal from school roll

From the 1st September 2016 changes were introduced to the Pupil Registration Regulations 2016. These amendments affect all non-standard transitions; this is whenever a child of compulsory school age leaves a school before completing the school's final year.

As a school we are now required to:

- Inform the LA in **every** circumstance when deleting a pupil's name from the admission register
- Inform the LA of the pupil's destination school and home address if the pupil is moving to a new school.
- Provide information to the LA when registering new pupils, including the pupil's address and previous school.

If your child is leaving our school we ask that you:

- Notify our Inclusion Officer and share comprehensive information about your plans, including any date of a move and your new address and telephone numbers, your child's new school and the start date when known. This should be submitted to school in writing.
- If a pupil leaves and we do not have the above information, then your child is considered to be a *child missing in education*. This requires schools and local authorities to carry out investigations to try and locate your child, including liaising with Children's Services, the Police and other agencies. By giving us the above information, these investigations can be avoided.

10.0 Legal Sanctions

1. Prosecution:

- a. Where intervention and support fails to bring about an improvement in attendance, the Local Authority will be notified and legal action in the Magistrates' Court may be taken. The school will be required to provide the Local Authority with necessary evidence for a prosecution under Section 444 of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring attendance at school and most importantly about returning children to education.
- b. Section 444 of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.
- c. If found guilty, such proceedings result in a parent having a criminal record which may need to be disclosed in the future, and may be harmful to employment/job prospects. A parent found guilty of this offence can be fined up to £2500 and or be imprisoned for a period of three months.

Alternatives to Section 444 prosecution are Parenting Contracts, Penalty Notices or an Education Supervision Order.

2. Parenting Contracts (Anti Social Behaviour Act 2003):

- a. A Parenting contract is a voluntary agreement between school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance.

- b. The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly.
- c. The contract can be used as evidence in a prosecution should parents fail to carry out agreed actions.
- d. Parenting Contracts will be used in accordance with Liverpool City Council's Parenting Contract Protocol.

3. **Penalty Notices (Anti Social Behaviour Act 2003):**

Penalty Notices will be considered when:

- a. A pupil is absent from school for the purpose of a holiday in term time and the absence has not been authorised by the school
- b. A pupil has accumulated at least ten sessions of unauthorised absence and further unauthorised absence has occurred following written warning to improve
- c. A Penalty Notice gives the parent the opportunity to discharge themselves of their legal responsibility if a £60 fine is paid within 21 days or £120 if paid within 28 days of the date the Notice was issued.
- d. Failure to pay the Penalty Notice will require consideration to be given as to whether prosecution is required under Section 444 of the Education Act 1996.

11.0 Monitoring and Evaluation

Regular reviews of attendance and punctuality will take place in Senior Leadership Team, Pastoral, Year Team and Attendance meetings. The Deputy Head/Inclusion Officer will report at least termly to the Governors of the school and strategies to maintain/improve attendance and punctuality will be regularly discussed. The Inclusion Officer will generate an annual report for Governors in conjunction with the Deputy Head.

Attendance will be a standing item on the agenda of the Senior Leadership Team meetings where the progress of various groups will be reported and the effectiveness of interventions measured. This will be used to review and inform whole school strategies and will also have links to performance management.
