27th January 2023

Dear Parent(s)/Carers

I am writing to you to confirm arrangements for the first day of industrial action on Wednesday, 1st February in order for you to make appropriate arrangements. To confirm, the National Education Union (NEU) has announced both National and Regional dates for industrial action, of which we are affected on the days below.

- Wednesday 1st February
- Tuesday 28th February
- Wednesday 15th March
- Thursday 16th March

From the information that we have received and our internal risk assessment, it will not be possible to safely open the school to all students, due to the numbers of staff that will be potentially absent. We will be partially open for Year 11 and Year 13 students only. The school will be closed to all other students.

All Year 11 and 13 students are expected in at the normal time.

Year 11 students

There is a public examination scheduled on this day, which is ICT – Effective Digital Working Practices. All students are expected to attend for this examination.

Year 13 will attend timetabled lessons and work in the study area during non-contact hours/free periods.

We will review and confirm plans ahead of each of the potential additional days. If there are any changes to these intended days I will notify you immediately.

Attached to this letter is a letter from the Director of Children's Services, Steve Reddy.

Yours sincerely

K Smyth
