

Welcome to Music!

We are very excited to meet you and are looking forward to all the great musical experiences we will share at Cardinal Heenan! Here's some musical ideas you could try over summer!

Chrome Music Lab

Lots of fun musical activities on this website. Try making your own music with the song maker using different blocks. Try putting the blocks close together and then far apart – what sounds better?

Incredibox Dance track

<https://www.incredibox.com/>

We love playing on this website!

Give the characters different beats and sounds to build your dance track! There are different styles to try and you can even turn it into a game. Very

addictive!

Virtual Keyboard

Try this website to play some keyboard tunes. You could even try making up your home-made instrument! own!

Remember to ask first!! <https://virtualpiano.net/>
