Acceptable shoes are traditional school shoes with a leather upper and a proper sole. Kicker shoes such as this are acceptable. Their 'trainer' type range of shoes are not. Clarks shoes are only acceptable if they resemble one of the images shown. NOTE: Any shoe that looks like a trainer will not be allowed. You may be told in shoe shops that certain shoes are acceptable when in fact they are trainers.

Trainer type shoes - including brands such as 'Bamboos', 'Cruyffs', 'Vans', 'Hugo Boss' - are not acceptable.

We pride ourselves on our school uniform and high standards and do not accept anything but what is stated.
